dr. ryce has doctorates in Naturopathic Medicine and Holistic Philosophy, is the founder and CO-Director of HeartLand, a Self-Healing Sanctuary in the Ozark Mountains and Director of the Khaburis Manuscript Foundation, which is translating the oldest known Aramaic New Testament from its native language into English. That, combined with his background in electronics, uniquely qualify him to make sense of how the mind, and the body work together and present the ultimate solution to life's problems, the INNER process of Forgiveness as taught 2000 years ago in the Aramaic culture.

This work is going to change your life forever! Guaranteed!
