## WORKSHOP DESCRIPTIONS

---

**1. WHY IS THIS HAPPENING TO ME...AGAIN?!** Explores **human possibilities** using the inner principles of Forgiveness, “Response-ability,” & Shifting Perception. A wide array of tools is provided. Insight, knowledge and support are provided to empower you to end recurring life patterns and consciously recreate your life! **Powerful tools that are changing our planet!!!**

**2. COMMUNICATION - DID YOU HEAR WHAT I THINK I SAID?** End projection with “**Responsibility Communication**” and open many doors to resolve issues, free up creativity and bring higher levels of aliveness. A clear, simple system for becoming aware of and changing unconscious relationship patterns.

**3. ON CREATING CONSCIOUSLY - KEYS TO CREATING ABUNDANCE.** A **dynamic process** for getting clear on what you do want and Forgiving what you don’t. Attitudes we hold and the principles behind how we create our lives will be investigated. The result: significant shifts in achieving satisfaction, wealth and abundance in all areas - health, time, finances, Love and aliveness!

**4. HEALING THROUGH RELATIONSHIPS.** **How to form**, on a practical level, relationships that nurture and heal rather than reinforce conflict. Experience a direct understanding of relationship dynamics and the empowerment potential they contain! Others are not at cause! It is all an inside job!! Ask yourself, “**If they are the one with the problem, why am I the one with the pain?!**”

**5. PURPOSE, PERSONAL POWER AND COMMITMENT.** **Bring insights and clarity** by discovering your Life Purpose! Align thought, spiritual awareness and commitment in a way that supports true Personal Power (not strength). Understand the power of alignment, be on purpose and watch your creativity explode!

**6. EMPOWERED TO HEAL.** **Did the ARAMAIC** culture possess Keys to Wisdom and a sound life/mind management system lost in “modern” times? Explore many principles and revelations that only the Aramaic language contains! Recent discoveries in modern medicine are confirming this ancient wisdom that opens previously undreamed of possibilities and empowers each in their self-healing process! Grasp the energetic principles of and shift dis-ease dynamics to healing processes!

**7. OPENING THE ENERGY FIELD.** A **hands-on experience** of aligning & opening the body’s “antenna.” When properly realigned we experience an increased energy flow, cleansing, profound relaxation and an enhanced ability to heal ourselves.

**8. MINDSHIFTERS and STILLPOINT BREATHING.** Access **deep unconscious dynamics** and feel the breath uncover past conditioning and remove limiting realities. Gentle self-help tools that lead to “Source-Connectedness,” self-acceptance and a deepening serenity. One of the most important tools we teach!

**9. THE “LIVE-IT.” Information on growing & practice at preparing live foods** is a skill you will achieve. Our food is geared to achieve nutritional solvency/vitality in order to reap maximum benefits from the Intensive. We follow the Hippocrates’ program, a step beyond “Fit For Life” See Ann Wigmore’s books.

**10. WHY IS THIS HAPPENING TO ME..AGAIN?! 17 Day TEACHERS’ TRAINING.** **For those who want to deepen** their understanding and practice of the Aramaic Forgiveness Process and/or want to teach this work. Certified teachers can have a listing on whyagain.org and have the services of custom flyer preparation and mailing label support. This intensive covers Workshops #1-10. Powerful, practical healing support!

**11. CO-DEPENDENCE TO INTER-DEPENDENCE.** **Uncovers the cause and cure of addiction** and shows how to create intimacy in the process! Identify and heal “Power Person” issues at the root of our Personality and Reality Formation Systems. Experience and live from your natural birthright — LOVE!

**12. LAWS OF LIVING.** **Synthesizes and integrates deep insight** from the fields of law, science, neuro-psychology, Naturopathic Medicine, spiritual psychology, nutrition, theology and especially from the Ancient Aramaic language and culture. It identifies the source of fear, anger, depression & guilt and offers tools for healing those destructive stresses. StillPoint Breathing and GETTING THE STRESS YOU NEED! are part of this Intensive. Laws of Living has been proclaimed one of the most profound, life-transforming events on the planet!

**EACH INTENSIVE INCLUDES 3 PERSONAL CODE EVALUATIONS AND VERY SPECIFIC TOOLS AND ASSIGNMENTS THAT PINPOINT EXACTLY HOW TO APPLY YOUR EFFORTS FOR OPTIMAL GAINS FROM YOUR INTENSIVE EXPERIENCE. AT COMPLETION A REEVALUATION AND A NEW SET OF ASSIGNMENTS WILL EMPOWER YOU TO CONTINUE TO IMPROVE IN YOUR CHALLENGE AREAS AS YOU RETURN HOME! A UNIQUE AID TO THOSE WHO ARE READY TO HEAL!**
