

THE FUNCTIONING OF THE HUMAN MIND

How do we tell what filters are set? By our fruit! Our health. Our realities - loving, threatening, irritating. Our feelings - loving, fearful, irritated. Our words - constructive, negative, destructive. Rakhma is the filter over Intensions that limits available intensions to those keyed to Love! It is the word Y'Shua used to express the First Law! The word has been *improperly* translated as Love. It means much more!
