LOL is the result of 90 years plus of research and classroom testing, a practical “how to” course, that offers effective Mind/Goal Management tools that improve the quality of people’s perceptions, words, attitudes, decisions, behaviors and lives. It identifies the specific *cause of stress* and how to *remove ineffective stresses*. LOL offers tools for increased aliveness and shines the light of the *instructions* contained in the Be-Attitudes and the Lord’s “Prayer” on how to create the internal conditions that accelerate healing tension, fear, guilt, anger, depression, addictions and overeating. Understand that the misnomer of obedience to Law, or a Superior, in Aramaic, was actually an instruction on how to harmonize your life with the Eternal Forces in which you Live, Move and Have Your Being! Investigate ancient truths that give practical guidelines for living a life in harmony with the Laws of Living.
EXPERIENCE HOW THE LATEST “DISCOVERIES” IN MEDICINE ARE CONFIRMING ANCIENT WISDOM!

♥ Come prepared to do 16-days of deep inner work! ♥
