Quantum StillPoint Intensive

Are you ready for three of the most INTENSE days of your life?

I am pulling out all the stops on 50+ years of training, practice and experience in my development of healing tools and Forgiveness work. I have created a 3-day Personal Intensive that will introduce every effective tool I have discovered.

“I wish could find someone on the planet who could do for me what will happen for you in your session!” dr. michael ryce

It is a personal Intensive done here, at a local hotel here in Bristol, VA/TN. We can schedule it at a time that works for you – contact me before you make your travel arrangements at

admin@whyagain.org

3-days of deep, mental, physical and emotional work (2 to 3 hours per day, one-on-one) – ONLY if you are ready to go for the most INTENSE levels!

It includes:

- A Personal Code Evaluation and a consultation on that in advance of the three days.
- A 2-hour session on day one with assignments.
- A 2-3 hour session on day two.
- A 2-3 hour session on day three.

The sessions will be very physically and emotionally intense, and I will be using every tool that I've learned over the last 50 years that will take you into StillPoint, like nothing else that exists on the planet in my awareness.

The cost is \$1,000

The hotel will be up to you to decide how much you want to spend (recommendations will be given upon your registration).
