Translations - reaching the world

The **Why Again book is in eight different languages** (not all of them in its entirety).

The **Reality Management Wake-up Sheet is in more than eight languages.**

Thank you to each person who said, "I want to translate this into my language so others can have these tools and this understanding too."

We are truly blessed to have you on our team, know we are on your team too.

The explanation of true forgiveness is given in **Thai as a PowerPoint Presentation**.

We have so many items translated into Spanish, that we have given it a separate page on the website. Thank you Nene and Claudia! **Spanish Page**

We may do a Workweek Project at HeartLand in the fall.

Drop us a note if interested!
