

MindShifters Radio - BOTH HOURS ON ZOOM!

As many of you are aware, we have experienced ongoing challenges with the functionality of the Nedl app.

This morning, we received a message from the Nedl team stating: “After deep reflection, we’ve made the difficult decision to temporarily pause service on the nēdl platform until we can properly support... with the quality and reliability each of you deserves.”

(If anyone is in a position to support Nedl’s mission through investment, we are sure your help would be greatly appreciated.)

In light of this development, we are transitioning the MindShifters Radio show to the Zoom platform. As of Monday, May 19th both hours LIVE SHOWS will be accessible on ZOOM.

Dr. Tim Hayes’ first hour moved to Zoom beginning May 5th.

dr. michael ryce’s second hour will transition to Zoom on May 19th.

Please note that the phone numbers for both sessions remain the same; however, the meeting IDs for each hour will be different. Details are listed below.

In both hours, you can join on the ZOOM app (via phone or computer) or call in and enter the meeting ID, no password required. You can have video or just audio, your choice.

So you can pick up the archives from the platform of your choice. For example: iHeart Radio, Spotify, SoundCloud, YouTube, Amazon, Overcast, Audible, Apple, Google, Breaker, TuneIn, PlayerFM and more. We will have so much more exposure to the world than we have had in the past. AND, we are now uploading our archives to our YouTube channel as well at https://www.youtube.com/michaelryce_whyagain
