Our archived shows are on Podetize. Podetize will store all 5,100+ hours of past shows plus our future shows. They then take our Podcasts and syndicate them to ALL major podcast platforms. So you can pick up the archives from the platform of your choice. For example: iHeart Radio, Spotify, SoundCloud, YouTube, Amazon, Overcast, Audible, Apple, Google, Breaker, TuneIn, PlayerFM and more. We will have so much more exposure to the world than we have had in the past. AND, we are now uploading our archives to our YouTube channel as well at [https://www.youtube.com/michaelryce\\_whyagain](https://www.youtube.com/michaelryce_whyagain)
