

We are adding a FREE NEW LEVEL OF SUPPORT for those who have done this life changing workshop and we are inviting you to consider participating in the:

FACILITATED

**CODEPENDENCE TO INTER-DEPENDENCE/
COMMUNICATION SELF-STUDY**

In 2020, and 2021 we did two live ZOOM Intensives which resulted in 89 hours of live video work on healing Co-dependence and shifting out of "Projection Communication" into "Respons-Ability Communication!" We then put all of the teaching, questions, answers, processing and guided StillPoint Breathing Sessions that happened with the 39 participants who met, twice a week, for a combined total of 31 weeks into a Self-Study program. This Intensive includes two Personal Code Evaluations AND we are upping the anti! FREE, twice a week (it is not a requirement to attend every session), Via ZOOM, there will be support and assistance in going through and completing the Course! For those who did the course live, this is going to be a whole new experience and we hope you will participate by sharing your experiences and supporting newcomers.

The work everyone did was so powerful, during the live Intensives, that the "Respons-Ability Communication" worksheet transformed from the 1 page it had been for decades into a 3 page powerhouse that breathed new life into my understanding of the whole process. The 1 page "PowerPerson" worksheet I had used for 30 years became a 19 page deep dive into the influence and unwinding of the insanity we visit on ourSelves and those around us until we come out of denial and look at our own hidden Power Person Dynamics! If you have not heard me say it before, this is Power Person issue is the Principle Insanity that runs the world! The objective of this course is to provide practical tool, and 5 day a week support in using those tools to put an end to any shadow of the "Why Is This Happening To Me...AGAIN?!" experience in one's life!

One participant offered, *"From zero to 15 years of age, being approved of, to me, meant survival. During the Self-Study in this Intensive, I discovered, and was able to Forgive, the denial, the self hiding and seeking approval. The bottom line was, until the work I did with the tools presented, I gave my power away in order to gain acceptance. Now I am free of that insanity!"*

"Until the unconscious becomes conscious it will direct your life and you will call it fate!" Carl Jung

THE COST, including all 89 hours of classroom videos and 2 Personal Code Evaluations, for the last 3 years has been \$600! Purchase it today and you will have 2 FREE SUPPORT SESSIONS EACH WEEK LIVE ON ZOOM!

As part of our ongoing commitment to make this work available to every Mind, Heart and Being on the Planet we are supporting, **Susan Flueck**,* a student / aspiring teacher of this work, in offering facilitation support.

*Susan is a healing practitioner, dedicated to the mission of facilitating and supporting Healing in the world. Since 2011 she has been “seeking Truth” and been trained in several modalities in her search. Recently she shared: “I discovered and participated in dr. michael ryce’s work and it is the Truth I was seeking!”

FREE!**

**An assisted study of the whole 89-hour Course will
begin Sunday, August 3rd at 4:00PM EST**

**For those who were participants in the LIVE study in 2020 and/or 2021, and those who have purchased, or now choose to purchase, the Self-Study!

**There will be an INTRODUCTORY meeting co-facilitated by
michael and Susan Flueck on August 3rd at 4 PM Eastern Time**

In this meeting we will introduce the Course, do a Q&A and present a plan on how it will proceed. If you are seeing this for the first time, the INTRO will be recorded and available if you cannot attend tomorrow.

At this moment the plan — subject to change — is to meet twice a week, Wednesday Evenings and Sunday Afternoons to go through the 89-hours of CoDependence Self-Study together.

Besides the weekly study, the MindShifters Radio Show will be available, from Noon to 2 PM 5-days a week for questions and support, links below.

There will be a ZOOM link sent to those who participated, or paid for the Course and reply to this email to register. Links to the videos of that study will be provided to those with paid registration, or received the Self Study as a FREE bonus for attending the Intensive in May, or register for the Intuitive Development Residential Intensive, in Abingdon, VA, in November 2025.

You do not have to attend every meeting, we found that those who purchased the package to Self-Study had challenges following through the whole course, so this is our way of supporting anyone interested in completing the course. And it will be a great refresher for those who participated in the online intensives.

For FREE 5 day a week support, join the **MindShifters Radio Show on ZOOM**, Monday through Friday, Noon to 2PM EST. Here are the links:

We have held our prices at HeartLand at \$1,575 for years, however, with the increase of food prices and the fact that we are renting a facility, this intensive is \$2,000 for a shared room, \$2,500 for a single, if available.

LETS TALK ABOUT THE INTENSIVE FOOD!

We will be doing the Nutritarian “Eat For Life” Program.

Are you familiar with the equation: $H = N \div C$?

ARE YOU READY TO SERIOUSLY UPGRADE YOUR NUTRITIONAL INTELLIGENCE, HEALTH AND ABILITY TO PREPARE AND ENJOY DELICIOUS FOOD AND ACCOMPLISH SIGNIFICANT INNER HEALING ALL IN ONE 9-DAY INTENSIVE? Once one puts the mind/“body”/Being interrelationship in order through AUTHENTIC Forgiveness the realization comes that:

HEALTH = nutrients ÷ calories.

During this nine day "**Intuitive Development**" INTENSIVE, aside from the intuitive development practicum, we will be using the scientific, whole-food, Nutritarian food program created by Dr. Joel Fuhrman as a healing/detox/weight loss regimen. In this proven dietary system, micro/macro-nutrient density and diversity creates a synergistic effect between vitamins, minerals, phytochemicals and flavonoids that support efficient metabolism, immune function and DNA synthesis which protects from free radicals and oxidative stress. Supplement input will be offered to assure nutritional excellence. **The objectives?** Create an enhanced lifestyle that resolves nutritional insolvency that protects cellular integrity while moving toward vitality and ideal weight; achieve hormone favorability (*specifically reducing insulin and IGF-1 — which promotes longevity, slows aging process and inhibits cancer activity*); help in reversing chronic disease; prolonging life span and maximizing health! Dr. Fuhrman explains...
<https://www.youtube.com/watch?v=JjLDVvScmJA>

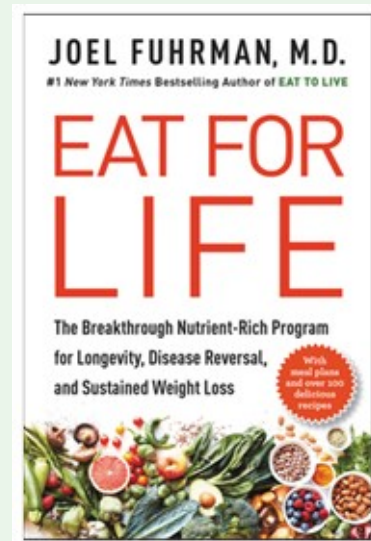

We are **blessed** to have our food preparation and nutritional teaching program led by Jurate Rubikene, certified Nutritarian Health and Wellness Coach. Everyone in the Intensive will have the hands-on opportunity to learn how to prepare tempting, delicious dishes that optimize detoxification, body fat composition and enhance well-being! Jurate will present ANDI: the

Aggregate Nutrient Density Index — a guidance system that uses 36 nutritional factors to help identify the most nutrient dense foods! Jurate shares, “On a personal level Nutritarian diet helps me to keep my health at its peak. It was a main tool while my son was healing from non-Hodgkin’s lymphoma and played a huge role in my partner Tom’s quick recovery from ventricular arrhythmia heart attack.”

Sickness and disability are not normal! The SAD (Standard American Diet) promotes chronic disease, suppresses immune function, and leaves people overfed and undernourished. There will be no empty calorie foods such as sugar, junk sweeteners, white flour, pasta and rice, no processed foods and we will use little or no salt, oil, or sugar. All foods will be freshly prepared and, much as possible we will utilize whole, organic foods!

For those who want to kick coffee, a suppressant that, with 4 cups, cuts blood flow to the brain by 40% and raises blood pressure... we will have a healthy breakfast beverage, DandyTea, most people enjoy as much as coffee!
