To support our son, Ryan Shaw, the MindShifters Show will have no Q&A on the above dates. He is having brain surgery in Nashville that week. Fortunately, they are assuring us that the tumor is benign! Please hold us in the space of Love as we go through this time. Please support us by listening and passing the MindShifter's phone number, 563 999 3581, on to others for this special series. Also, we extend the energy of Love and Support to each of you that this New Year is the best one yet of your Eternal Life! We invite you to return the blessing, especially for the highest and best outcome for Ryan and our whole family!
