

Shaw Family Support

You may be connected to me on Facebook and have already seen this. Many have already donated, if you are one then I say thank you again. I am sending this to my email contact list to spread the word. Apologies if this is duplicate information to you.

My son, Ryan Shaw is having brain surgery to remove a tumor at Vanderbilt in Nashville, TN on December 27, 2024. We have rented a space near the medical center for us to be close to him during his stay. His wife Gabrielle Shaw and their two children (ages 2 months and 6 years) and myself, Michael, and Gabby's parents will be in Nashville at least 8 days. While his medical bills are covered under his insurance, the cost of the rental space is way beyond our means. Several friends encouraged me to start a fund raising. So I have.

Go to <https://shawfamilysupport.betterworld.org/> They give the option for the donor to cover fees but it is not required to do so and they give us all of the donation amount made.

Please share this and if you are able to donate it is greatly appreciated. If you cannot donate, keep us in your prayers. Blessings, Jeanie
