

# TWO 2025 LIVE Upcoming Events with dr michael ryce

## QUANTUM STILLPOINT 3-day or 5-day week of March 2 - 9, 2025

### A PERSONAL, ONE ON ONE, QUANTUM STILLPOINT INTENSIVE with dr. michael ryce in Bristol, TN

#### ARE YOU READY FOR THREE, OR FIVE OF THE MOST PROFOUND OPENINGS OF YOUR LIFE?

*“Who looks without (perception) dreams —  
who looks within awakens!” Carl Jung*

THE STARTING POINT FOR ACTUAL HEALING IS TRUTH. Everything else is a delay, like rearranging the deck chairs on the Titanic! Max Planck, who won the Nobel Prize for the discovery of Quantum Theory stated: *“In all my research, I have never come across matter. To me, the term matter implies a bundle of energy which is given form by an intelligent spirit. ... THERE IS NO MATTER AS SUCH! All matter originates and exists only by virtue of a force... behind this force... (is) a (unconscious or) conscious and intelligent mind. This mind is the matrix of all matter!”* Until this statement is understood and applied to the realm of healing, there will be no true healing!

Quantum StillPoint is a Sacred Inner Breath® and Realignment Process® where, with willingness, trust enters, “thought” is stilled and perception is quelled. As physiological resistance is weakened the voice of the past is drained of its energy and, freed of restriction and impedance, the structure moves into its natural super-conductor state. This allows the full expression of Conscious, Active, Present Love to enter the nervous system and do the work of transmuting anything unlike itself. This transmutation restores the power that has, through blame, been energetically locked up and rendered unavailable because it has been hidden within generations of unresolved, dissociated — unconscious — pain, trauma and projection. Each visit into this state, through the dissolution of pain-based energies and the connection to the Authentic Self, strengthens the voice of Inner Wisdom, carried on the Breath®, which opens the gateway to living in deeper ways from the state of Being, and in the Actuality of Creation.

This deep ENERGY FIELD work, combined with the StillPoint Breath® creates an opening for letting go of mental, emotional and nervous system resistance — defined as “satori” in Aramaic — that assists in breaking — and, in some cases totally breaks, the addiction to the Power Person Dynamics stored, from the past, in Carbon Based Memory! Breath®, known in the ancient Aramaic language as Ruaha d’Koodha, is literally defined as a feminine, elemental force, that undoes the effects of our errors and teaches us the TRUTH.

One Jungian trained therapist, wrote, after his Quantum StillPoint:  
**“This is the missing piece in Carl Jung’s work!”**

### QUANTUM STILLPOINT INTENSIVE

I am pulling out all the stops on 50+ years of training, practice and experience in my development of healing tools and Aramaic Forgiveness work. This 3 (or 5) day Personal Intensive will introduce the most effective one on one tools, not practical in a group setting, that I have discovered to date. The sessions will be somewhat “physically” and emotionally intense, and will take you into a deep, profound energetic “superconductor state!” This StillPoint and energetic realignment is like nothing else, in my awareness, that exists on earth.

The 3 (or 5) days is geared to support the participant in gaining a subtle awareness of any form of resistance, and developing the skill involved in letting go, transforming perception and opening to the deepest of StillPoints — through willingness and the unreserved release of that resistance — physical, mental and emotional — thus reaching a reset, from within, of physiology and mind that is generally considered to be impossible. The objective is to open the space for deep structural and energetic realignment and reorganization brought on by the freeing, if only for an instant, of the grip of the mind —

**SILENCE! STILLNESS! NO THOUGHT!**

This personally conducted Intensive includes:

- Both a Pre and Post Personal Code Evaluation and consultation.
- A 1-1/2 to 2-hour\* session on day one with assignments.
- A 2-3 hour\* session on day two.
- A 2-3 hour\* session on day three.

For more details see: <https://whyagain.org/quantum-stillpoint-intensive/>  
\*All session times variable depending on circumstances.

## MindShifters Radio in on the Nedl App

Nedl (pronounced needle) is our new platform for LIVE shows.

Simply go to <https://live.nedl.com/mindshiftersradio> and tap "get a reminder" - they require you to enter your phone number and click confirm. You will receive a text whenever we go LIVE. This simple process allows you to **ONLY** listen to the LIVE show. If you want to talk to us you need to follow the steps given at <https://conta.cc/3OJLyuG>

However, if we have to do a pre-recorded show, we are going to use Podbean. The instructions for Podbean, if you have not already downloaded the app, can be found in the newsletter we sent out earlier last year. Full instructions for Podbean are at <https://conta.cc/3RMLNGy>

Both Podbean and Nedl send you a notification that we are LIVE (on whichever platform) if you have clicked that you "follow" us or save us as a "favorite" on both apps.

Thank you for your patience in the transition from BlogTalk,  
dr. michael & Jeanie ryce and Dr. Tim Hayes

## Podetize - Archives

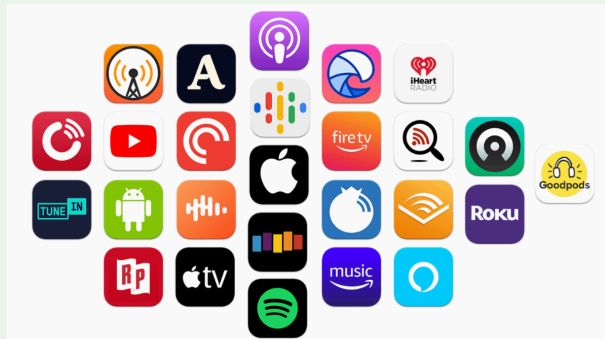

Our archived shows have been moved over from BlogTalk to Podetize. Please be patient, it will take me some time to change all the links on the website that pointed to BlogTalk. Podetize will store all 5,100+ hours of past shows plus our future shows. They then take our Podcasts and syndicate them to ALL major podcast platforms. So you can pick up the archives from the platform of your choice. For example: iHeart Radio, Spotify, SoundCloud, YouTube, Amazon, Overcast, Audible, Apple, Google, Breaker, TuneIn, PlayerFM and more. We will have so much more exposure to the world than we have had in

the past. Our Podetize player can be found at

<https://whyagain.org/mindshifters-radio-show-player-for-archives/>

AND, we are now uploading our archives to our YouTube channel as well at
