

## Potentially HeartLand will open 2023

There is a group with Steiner Waldorf Education who want to use the facility at HeartLand beginning August 6th for a week or so. If that confirms, then we will do a 16-day Food, Fun, Forgiveness and Work program in July to get the buildings and grounds ready (as it has been closed almost 4 years). FFF&W - we do work projects during the day and have class at night.

AND if there are enough people willing to make the commitment, we could do a 9-day Why and/or 17-day Teachers Training in person instead of online as planned.
